Our Mission:

To provide our customers with leading edge Products, Equipment and, Service to increase their productivity.

## Our Story:

Incorporated July 2014, GTA Jamaica is a continuation of a venture started more than 30 years ago when Ian Gibson was a part of the Deryck A. Gibson Ltd. (DAGL), managing their “Tool Quip” “Air Power” and Service divisions. Mr. Gibson, who went on to form a successful tent rental company, has acquired DAGL’s Automotive Tool & Service divisions, as a wholly autonomous business to provide better product and customer focus to the market segment.

What We Do:

Sales, Service and Distribution for Hand and Power tools, Automotive diagnostic equipment, Automotive service equipment, small to medium size Air Compressors, Power Generators and, Power Washers.

Coverage:

**GTA** Jamaica

Brands Represented:

*The World's Most Trusted Lift.*
